

Description

BALS No	129
Product Group	GT panel mounting socket Outlet, angled
Amperage	63A
Poles	5p (3p+N+PE)
Earth 'Clock' Position	6 h
Voltage	200/346 up to 240/415V
Frequency	50 and 60Hz
Protection	IP67

Full Description

Membership	screw terminal
Colorcode	red
Color identification	RAL 3000 red (Flap lid)
Connector	screw terminal as box terminal with Kontex-contact albaum
Conductor plane	25.0 mm ²
Contact surface	made of high temperature resistant material contacts and box terminals are brass
flange size	114x114 fixing centres 90x90 114x114/90x90

material

Package material	Housing material PA6(GB+GF)30 RAL 7035
material outside	Klappdeckelfeder - made of stainless steel rivet for hinged cover is brass hinged lid spring made of sta
